

2025 Nashville 8 Dance Championship

We will be offering an 8 Dance Championship at a different time this year by popular request, Friday night during Advanced Pro-Am.

Here is the information you need to know in order to enter.

1. This will be danced in Flight Format. 2 flights as follows:
1st Flight will be Waltz, Night Club, Triple Two, and West Coast.
2nd Flight will be Two Step, Cha Cha, Polka and East Coast.
2. There will be only 3 Divisions: Pro-Pro, Pro-Am 16+ and Pro-Am 40+. There are no levels, just the 2 age Divisions in Pro-Am for Male and Female.
3. A Pro can enter only one student per Division.
4. The partnership must enter all eight dances.
5. The male and female students will be competing with their own gender but may be dancing in the same flight as the other gender depending on the number of entries in a Division.
6. The scoring will be by placement, not medals.
7. The music will be 1 min 30 seconds.
8. The rules and beats per minute range will be the same as the Intermediate Pro-Am window in the UCWDC rules.
9. The student's registration cost is \$100 total. This includes both flights/all 8 dances and their scores.
